2 REPORTS

2.1 REVIEW OF THE CDC GRANTS POLICY

1. PURPOSE

To review the CDC Grants Policy.

Becks Clarke sought advice from elected members on the CDC Grants Policy.

Currently, there are individual documents for the various grants and she is looking at merging this into one document. This will be more user-friendly for applicants. A key area for improvement is to be able to measure the influence and impacts the funding makes on the CDC district. The grant funding pool will link to community outcomes and documents such as the Long-Term Plan.

The next step is for the revised document to be reviewed by all councillors.
